

**To Daddy, on his Birthday**

**From Malva and Lois**

Mommy was wondering what we could do  
To wish a most wonderful birthday to you —  
Lois can talk, and Malva can sing  
But that covers just about everything!

We love you, adore you more than we can say,  
You guide us, inspire us, and show us the way  
To grow up in goodness, to be strong and fine,  
So from both of us, happy birthday, dear Daddy of mine!!!

Many happy returns.

Your loving daughters,

Malva and Lois
