

**To My Sweetheart, on our
Twenty-Fifth Wedding Anniversary**

How blessed am I, my darling
That God has given to me
The wonder of the greatest love
That there could ever be.

In you he made the wisdom,
The charm, the warmth, the good
That make my life a paradise,
Its meaning understood.

And every year that passes
Is better than before,
And with God's grace may we embrace
Yet several dozen more.
